MADE WITH VIXL / FILLABLE PDF

Start with a clear brief.

Good design starts with knowing what it is for. Plan a graphic, document or motion piece here: type into the fields, or print it and grab a pen.

Project / campaign

Who is it for?

The one thing they should remember

What should they do next?

Deliverables, dimensions and channels

- [ ] Review copy, accessibility and export settings

Bring brand assets and content you have permission to use. Keep the editable master with the exports.
